

Health & Safety Policy

ame health and safety services ltd is committed to health, safety and welfare at work; complying with applicable health and safety legal requirements; and, the continual improvement of its health and safety control arrangements and performance. To implement this policy we have adopted a Management System based on the requirements of ISO9001:2015, ISO14001:2015 and ISO45001:2018.

ame's overall health and safety objective is to prevent accidents, injuries and occupational ill-health at all locations under Company Management control as well as to continuously promote awareness to Occupational Health and Safety.

ame recognizes the importance of achieving and maintaining good standards of health and safety management through consultation and participation of workers. The company's Health and Safety Policy therefore provides a framework for the company to achieve good practice, meet the objectives set out through the implementation of the OHS Management system and compliance with the legislative requirements and approved codes of practice
